

Fusion 2008

Serving Our City Together

October 3-5, 2008

It is that time of year...time to get ready for Fusion! Churches from all over Central Florida are gearing up to spread the love of Christ throughout our community over a three day weekend - Fusion. Fusion is more than a event it is an exclamation point on an effort by churches all over Central Florida to love our neighbors as ourselves for Christ.

The mission for Fusion is to work together to serve our communities by demonstrating acts of kindness and meeting real needs with the intention of impacting those we serve with the love of Christ. For many churches, Fusion is a great way to mobilize their congregation to begin (or better) the journey of becoming externally focused. It is about THE church serving the community. We are thrilled you are considering being apart of Fusion as a Church Partner. It would be great to have you join us, listed below are some of the **benefits of participation**:

- Participation in one of the largest volunteer event in Central Florida
- Coaching from an Anchor Church in your area
- Church Liaison training
- Project Leader training
- Planning and promotional materials
- Real-time web based organization

This year, Fusion will be held October 3-5. Mark your calendars now. We anticipate as many as 75 churches joining in this amazing event. That list continues to grow as the word is shared of what Fusion is all about. It is about real needs, it is about community, and it is about a unified body of Christ joining together to serve. We would love to have you join us...
